

Power Sports AGM

DURACELL®

SMARTPOWER™

2x Durability & Dependability

Convenience is the one word that best describes Duracell AGM Power Sports batteries. No initial charging and no adding acid combined with a high powered, high performance design puts the CopperTop – on top – of ordinary Power Sports batteries.

Designed for more efficient recharging, these batteries actually recover faster in the vehicle's charging system than conventional flooded designs to deliver more accessory power longer.

Motorcycles, ATVs, UTVs, Snowmobiles, and PWCs will benefit season after season from high starting and accessory power, longer battery life, high vibration resistance, a spillproof design, and Duracell's world-renowned dependable performance.

Help your customers plug in, start up, and get going with the CopperTop confidence of new Duracell Power Sports batteries.

Now Featuring DuraMAT™ Components

More battery power protection with...

- Superior electrolyte absorption
- No free-flowing electrolyte
- Shock absorbing material
- Optimized power flow
