

Deep Cycle Marine/RV AGM

DURACELL®

SMARTPOWER™

2x Durability & Dependability **2x** Cycle Life* **20x** Vibration Resistant*

START STRONG, TROLL LONG...

Duracell AGM deep cycle marine and RV batteries enable fishing enthusiasts and boaters alike to spend more time on the water and less time recharging their battery.

Along with 2x the dependability and durability, these premium deep cycle batteries have special design features that provide extra protection against deep discharge damage. This provides the maximum trolling and accessory power that can help turn a good day of fishing into a great one without having to worry about your battery.

Duracell AGM batteries actually recover faster in a vehicle's charging system than conventional designs to deliver more accessory power longer.

With 20x the vibration resistance of conventional designs, these batteries resist wave-pounding vibration or the worst road conditions. A spillproof design brings essential convenience and safety to the boating enthusiast or the most adventurous RV traveler.

Boat and RV owners shouldn't settle for anything less than this technologically advanced type of trusted battery power.

Now Featuring DuraMAT™ Components

More battery power protection with...

- Superior electrolyte absorption
- No free-flowing electrolyte
- Shock absorbing material
- Optimized power flow

* Compared to conventional designs

FOOTNOTES:

- AGM4D and AGM8D have SAE automotive posts
- 2. Black cover / Gray case
- 17. Includes handle
- 38. "Non-spillable" defined by DOT (Department of Transportation) definitions
- 39. "Non-spillable" defined by ICAO (International Commercial Airline Organization) and IATA (International Airline Transport Association) definitions
- 44. Free replacement warranty is 3 months in full electric vehicle use
- G. Offset post w/ horizontal hole, stainless steel 5/16" bolt and hex nut (T881)
- U. Molded-in offset SAE post and vertical 5/16" NEG., 5/16" POS. stainless steel studs & hex nuts
- Y. Small L terminal with round holes

Not just another battery offering, the Duracell AGM line delivers the best single source of premium AGM battery power solutions for the automotive, import vehicle, marine, power sports, and commercial markets. The variety in the Duracell AGM line has batteries to best service the vehicle and user's needs by integrating the optimal balance of starting, cycling, and deep cycling performance.

Duracell AGM batteries are part of the SmartPower initiative. Designed for more efficient recharging, these batteries recover faster in the vehicle's charging system than conventional flooded batteries to deliver more accessory power longer.
