## Power Sports AGM

2x Durability & Dependability

Duracell Power Sports batteries offer a complete, powerful line of maintenance-free products, behind a name synonymous with the dependability and performance people know and trust.

Convenience is the one word that best describes Duracell AGM Power Sports batteries. No initial charging and no adding acid combined with high power and high performance puts this battery on top of ordinary Power Sports designs.

Designed for more efficient recharging, these batteries actually recover faster in the vehicle's charging system than conventional flooded designs to deliver more accessory power longer.

### Now Featuring DuraMAT™ Components

#### More battery power protection with...

- Superior electrolyte absorption
- No free-flowing electrolyte
- Shock absorbing material
- Optimized power flow

### TRUST IS POWER.

Visit [www.driveduracell.com](http://www.driveduracell.com) to see the entire line of battery solutions for any application need.

Motorcycles, ATVs, UTVs, Snowmobiles, and PWCs will benefit season after season from high starting and accessory power, longer battery life, high vibration resistance, a spillproof design, and Duracell's world-renowned dependable performance.

Help your customers plug in, start up, and get going with the confidence of Duracell in these premium Power Sports batteries.
