

DURACELL®

Marine/RV AGM

Start Strong • Troll Long

Duracell AGM marine batteries deliver more accessory power longer with 2x the cycle life and 20x the vibration resistance of conventional designs. AGM spillproof technology also brings essential convenience and safety to the boating enthusiast or the most adventurous RV traveler.

Duracell Marine & RV Deep Cycle

is an ideal combination of marine starting and accessory power for livewells, GPS systems, stereos, hazard lighting, and any other item that plugs in or turns on.

Duracell Marine & RV Heavy Duty Deep Cycle

provide extra protection against deep discharge damage. This delivers the maximum trolling and accessory power that can help turn a good day of fishing into a great one without having to worry about your battery.

DuraMAT™ Components Feature:

More battery power protection with...

- Superior electrolyte absorption
- No free-flowing electrolyte
- Shock absorbing material
- Optimized power flow

TRUST IS POWER.

Visit www.driveduracell.com to see the entire line of battery solutions for any application need.

FOOTNOTES

- AGM4D and AGM8D have SAE automotive posts
- 2. Black cover / Gray case
- 16. Dual terminal universal design
- 17. Includes handle
- 38. "Non-spillable" defined by DOT (Department of Transportation) definitions
- 39. "Non-spillable" defined by ICAO (International Commercial Airline Organization) and IATA (International Airline Transport Association) definitions
- 43. Free replacement warranty is 12 months in deep-cycle use and 3 months in full electric vehicle use.

- 44. Free replacement warranty is 3 months in full electric vehicle use
- A. Flush combination terminal w/ 5/16" stud and SAE post, hex nuts included
- G. Offset post w/ horizontal hole, stainless steel 5/16" bolt and hex nut (T881)
- S. SAE "automotive type" post (TSAE)
- U. Molded-in offset SAE post and vertical 5/16" NEG., 5/16" POS. stainless steel studs & hex nuts
- Y. Small L terminal with round holes

PROPOSITION 65 WARNING: Battery posts, terminals and related accessories contain lead and lead compounds, chemicals known to the State of California to cause cancer and reproductive harm. Batteries also contain other chemicals known to the State of California to cause cancer. WASH HANDS AFTER HANDLING.

Not just another battery offering, the Duracell AGM line delivers the best single source of premium AGM battery power solutions for the automotive, import vehicle, marine, power sports, and commercial markets. The variety in the Duracell AGM line has batteries to best service the vehicle and user's needs by integrating the optimal balance of starting, cycling, and deep cycling performance.

Designed for more efficient recharging, these batteries recover faster in the vehicle's charging system than conventional flooded batteries to deliver more accessory power longer.
